

McAfee Mobile Security update schedule

Addendum to: TS103165

Rev date: September 10, 2021

McAfee Mobile Security is changing in 2021. The dates for the changes vary by platform (iOS or Android) and by country.

NOTE: The **McAfee Mobile Security** name is also changing to **McAfee Security**.

The key dates are shown below.

- **McAfee Mobile security for Android** will be updated in three phases during 2021. These phases occur by country and are shown in the schedule below. The three phases are:
 - **Phase 1:** From August 2, 2021
 - **Phase 2:** From September 23, 2021
 - **Phase 3:** From October 11, 2021

To find out when McAfee Mobile Security will be updated on your Android device, determine if you are in phase **1**, **2**, or **3**. You can do this by looking for your country in the update schedule, below.

If your Android device is set to automatically update apps, your Android app will be updated on the date corresponding to your country's update phase.

- **McAfee Mobile security for iOS** will be updated worldwide on the same date: September 23, 2021

If your iOS device is set to automatically update apps, your iOS app will be updated from September 23 regardless of your country of residence. NOTE: Not everyone will receive the update on September 23rd.
